Why “www.canada-Suisse.ch”?

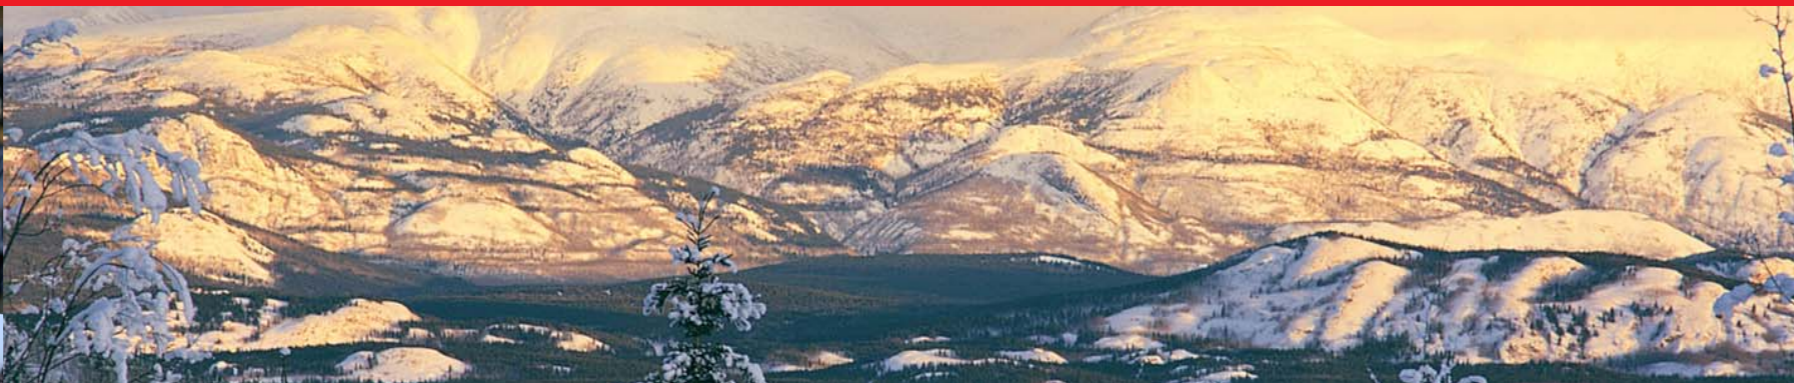

It is about some unconditional passionate people, who have a crush on Canada, which one day made the former decide to gather their strength in order to create bridges between this majestic land and Switzerland.

A meticulously chosen selection of website references – The apple of our eyes aims at broadening people’s knowledge about the huge diversity of this extraordinary continent, in the purpose of triggering their willingness to travel there and to stay there.

For those who one day might want to study there, even settle there.

Step out the door of **the new territory!**

Come and share the fascinating spell that Canada can cast

This website's purpose is to make people discover Canada in all its states of mind, its breathtaking natural beauties, its never-ending wide spaces, its extraordinary wild fauna, its rich history, its native nations, its numerous Eastern provinces on the West Side, its lifestyle and so many other facets of this wonderful, seducing and warm country.

🍁 **Its motto.** During crucial times where our civilization is undergoing so many changes, isn't it essential for us to dream, but even more to make our dreams come true, no matter how incredible they might be! Welcome to another world, yet so close to us!

🍁 **Here you will find** every piece of information to study in the best schools and universities, to work there and why not consider settling there one day. This country is utterly open to your prospects for the future.

🍁 **But also** to spend your dream holiday. Trips on offer organized all over the Canadian territory - which look like nothing else that you have ever seen before - in fascinating and mythical regions in collaboration with both of our national airline companies.

🍁 **Our photo galleries** will provide you with ostensible pieces of evidence of the beauty and magic of these wonderful regions.

🍁 **You will open the doors** to fairy tales, fables, myths and unusual legends of Canada. The Amerindian traditions are likely to feed your imagination.

🍁 **The testimonials** and profiles of passionate people about Canada who will happily share with you «this new world». Everyone has a reason for having found happiness.

🍁 **The drawings**, which are deliciously sarcastic, by our friend Barrigue give no such flavor to the friendships that have existed for fairly a long time between Switzerland and Canada.

🍁 **The national sport** of Canada won't hold any secret from you. Its section entitled **Ice Hockey** will unveil all or almost everything about the Canadian and Swiss hockey. Who has never pictured himself going on a journey to see a National League match and the Stanley Cup Handover!

🍁 **The national parks** of Canada constitute a network of natural air of national importance. They are protected in accordance with the law favouring comprehension, appreciation and enjoyment by the public, in addition to being preserved intact for the benefit of future generations. Canada has possessed national parks for more than a century.

🍁 **The cities;** fruits of the integration of the Amerindian culture, then cradle of the French civilization in America, the cities were born with the arrival of French colonists, then the English. They each have an unusual charm whether from the Eastern to the Western part of this vast country.

🍁 **The renown partners** as much in Switzerland as in Canada who do us the honour of backing us up throughout the whole process deserve our warmest thanks. Without their support, this website certainly couldn't guarantee the quality, the brightness, the visibility that **Canada Suisse** are adamantly willing to offer to their website surfers.

🍁 **And there are so many other activities and events** that you will soon be able to discover by visiting the website, as well as by subscribing to our quarterly newsletter.

Canada and its wild nature represent a source of perpetual inspiration. Unceasingly, we never fail to bring it the necessary novelties to its vitality and its creative dynamic.
